Professor Jurgen Brauer
Dept. of Economics
Augusta College
2500 Walton Way
Augusta, GA 30904-2200

Dear Professor Brauer:

The outline for your course in managerial economics is now on the Harvard Business School Publishing Internet service. In fact, yours is the first outline from outside HBS to have been placed on the gopher-server.

We at HBS Publishing are pleased to share this helpful information with faculty everywhere, so that they can see a wide range of case-based course configurations. We thank you again for participating in this program!

Sincerely,

Michael DeRocco
